Compact size, versatility, ease of use, and of course great taste... nothing says convenience like the Colibri by Necta

## Advanced Solutions for Today's Marke

Available in 3 different models, the Colibri covers all of the bases for small to medium size locations. The LX 8 (8 gram brewer) and LX 12 (12 gram brewer) provide the full range of coffee and specialty hot beverages, from a creamy cappuccino to a decadent café mocha. The LX 12 allows the operator to offer 12 ounce beverages for those locations preferring a larger drink size.

The C5 provides many of the same great tasting beverages as the LX models but also offers an automatic cup dispenser and a sugar pre-selection to complete the range of versatility offered by the Colibri line.
